*Our beautiful blank canvas,  
your perfect day*

# *Welcome to Lodge Farm Weddings*

*Lodge Farm is a relaxed yet elegant rural venue in North Yorkshire, set on our working family farm. With beautiful views of the Yorkshire moors, Lodge Farm provides an idyllic country setting for your perfect day.*

# *How It Works*

*Lodge Farm Weddings is a stunning marquee site-only wedding venue – you hire our beautiful marquee paddock from us and it's exclusively yours for the weekend to create the wedding of your dreams.*

*We want your perfect day to be just that – perfect, and we know everyone has their own individual dreams, which is why we allow flexibility on choice of suppliers, be that the marquee company or the caterer. We are of course also happy to recommend people and companies we know locally.*

*With panoramic views of North Yorkshire in a peaceful, secluded setting Lodge Farm Weddings is the perfect blank canvas to create the wedding of your dreams.*

# *Marquees*

*Our stunning marquee paddock can site marquees for up to 400 people.*

*You are welcome to use your own choice of marquee company or alternatively we have a list of recommended suppliers on our website. (This lovely Sperry Tent is by Papakata!)*

*You are also welcome to use our elegant garden for drinks receptions or photos.*

# *Your Wedding Ceremony*

*We are fortunate to have St Mary's and All Saints Church adjoining the farm. Should you wish to have a religious wedding or blessing please contact us so we can put you in touch with the church.*

*Lodge Farm is not yet licensed for civil ceremonies though you are welcome to have a blessing on the farm and there are several registry offices within a short drive.*

*Our marquee paddock provides a stunning backdrop to your blessing and there is a lovely avenue of trees and a wood you are welcome to use - let your imagination run wild!!*

# *On Site Accommodation*

*You get first refusal of our award winning 5\* B&B, which provides accommodation for 8 people from 2pm the day before your wedding until 12pm the day after.*

*Three bedrooms in the main house and a garden room with its own private access and sitting room means you can relax and enjoy getting ready for your special day.*

*Accommodation is normally available for 2 nights but if you wish to stay longer please do enquire!*

# *The Party*

*Whether you want a 12 piece jazz band or your favourite DJ you are welcome to have the entertainments you wish.*

*Licensing means we need to finish the party at 12am, however we are completely flexible on what time you want to start!*

*As we are a working farm we do not allow fireworks on site, however you are very welcome to use bio-degradeable confetti!*

# *The Food & Drink*

*Whether you want a traditional wedding breakfast or a New-Orleans style street food BBQ you're welcome to use the caterer of your choice.*

*You are also welcome to ask your caterer to run your bar or have a specialist bar come in.*

*We are of course happy to recommend people we know locally and look forward to seeing you wow your guests!*

# *Other questions*

*Parking - we have acres (literally) of parking and your guests are welcome to leave their cars until the next day.*
